

**Specialist Services for  
UK Subsidiary Companies**

At Seymour Taylor, we have extensive experience in assisting overseas businesses operating, or planning to operate, in the UK. With offices based in both London and Buckinghamshire, we are ideally placed to provide a comprehensive range of professional auditing, accountancy and related financial services to companies anywhere in the UK. Our Head Office in High Wycombe is less than 30 minutes from Heathrow Airport, close to 2 major motorways and has excellent rail links to London Marylebone station. Our London office is in the heart of the Capital with easy access by bus or tube.

We offer all of the services required by UK subsidiaries to fulfil their accounting requirements, including:

- Total outsourced accountancy service
- Auditing
- Payroll services
- UK company formations
- Company secretarial services
- VAT returns and compliance
- Full inter-company reporting
- Secure data transfer

But don't just take our word for it!
